The 9th International Symposium on Biomedical Engineering Young Researchers Presentation Award

Presented to

Taiki Otomo

Institute of Science Tokyo

For the presentation entitled

Microdevice Design for Reproducing Dynamic Environments in High-Frequency Oscillatory Ventilation (HFOV)

December 3rd - 4th, 2024

On behalf of the Research Center for Biomedical Engineering

Prof. Hiroyuki Kagechika Institute of Science Tokyo

Prof. Hideki Hosoda Institute of Science Tokyo
